

\$100 DOLLARS REWARD

WILL be paid for the apprehension of my man **WILLIAM BROWN** who left home on the 14th inst.—he is a mulattoe, about thirty years of age, five feet eight or nine inches high, rather stont make—turns his toes out when walking, and limps in consequence of a sprained ankle. He has a wife at Mr. A-
zel Beall's, near Buena Vista, and may be there or in that neighbourhood. I will give fifty dollars for him if taken in the district of Co-
lumbia, Prince George's, or Anne Arundel counties; seventy five if in Baltimore, and one hundred if elsewhere; in any case he must be secured so that I get possession of him.
